- **ASSOCIATION INFORMATION** including officers, staff & committee members.

Membership Profile

With more than 3,350 members, the Alliance is the largest statewide oil and gas association in the nation.

The Texas Alliance of Energy Producers became a statewide organization in 2000 with the merger of two of the oldest oil and gas associations in the nation, the North Texas Oil and Gas Association and the West Central Texas Oil and Gas Association.

- The Texas Alliance has members in 31 states.
- 47% are the owner of the company; 13% are co-owners, and 15% are the CEO.
- 3 out of 4 members are in the exploration & production side of the oil and gas industry.
